

SUMMER 1

F2 NEWSLETTER

What we are going to learn all about ...

Amazing Animals!

We are very excited to begin our new topic all about animals! The children will be exploring different kinds of animals, learning how we can sort and group them, and discovering how to care for them.

To bring our learning to life, we will also be transforming our role-play area into a Vets Surgery. After our wonderful visit from the vet last half term, we know the children are going to absolutely love this!

Reminders

Please try to read with your child at least three times a week and record this in their yellow reading log.

This can include:

- Sound cards
- Blending games
- Writing activities

All of these count as valuable reading practice and make a big difference to your child's progress.

Diary Dates:

- 13.04.2026 Return to school
- Thursday 16th April- WOW Starter
