Year 1 - Autumn 1 Marvellous Me!

Our focus text in English:

English and Phonics

This half term we will be reading *Lost and Found*. We will focus on using capital letters, finger spaces and full stops as we write about the characters.

The children will recap these phase 3 sounds in phonics:
ai ee igh oa oo ar or ur oo ow oi ear

The children will learn these phase 5 sounds in phonics:
ay ou oy ea

Science

This half term we will be learning about materials. We will be identifying and naming everyday materials and distinguishing between an object and the material from which it is made. We will be describing the simple physical properties of a variety of everyday materials.

We will be looking at seasonal change and what happens in autumn.

Physical Education

This half term our focus will be on football. We will be practising dribbling, passing and shooting.

Religious Education

This half term our focus will be on myself and caring for others. We will be thinking about how we are unique and how we can show we care.

We will also discover how people celebrate Diwali.

SCARF

This half term our focus will be 'Me and My Relationships'. We will be thinking about our feelings and how to be a good friend.

I wonder what jobs are out there...

Maths

In maths this half term, we will be focusing on numbers to 10. We will be comparing and ordering numbers using the language of less than, greater than and equal to.

We will be learning how to add and subtract numbers to 10 including number bonds and fact families.

Design and Technology

This half term our focus in DT is food. We will be designing, making and evaluating a fruit smoothie.

Geography

This half term we will be looking at the four countries that make up the UK, naming their capital cities and identifying them on a map. We will also be locating Mansfield on a map of England and creating our own aerial maps of school.

Computing

This half term our focus will be 'Technology around us'. We will be identifying a computer and its main parts. The children will learn how to use a mouse and type on a keyboard.

We will talk about how to use technology responsibly.

Music

This half term we will be learning the song 'Hey You!'. We will be learning about how pulse, rhythm and pitch work together.
