- Using Numbots and Times Table RockStars
- Using Spelling Shed
- Practise the continents song and oceans song at home
- Think of a list of adjectives to describe space

Year 2 - Autumn 1 Marvellous Me!

Our focus text in English:

English and Spelling

This half term we will be reading 'Look Up!'. We will recap using capital letters, finger spaces and full stops. We will also introduce expanded noun phrases as we cover a variety of genres from space.

In Spelling Shed sessions, we will be learning words where 'dge' makes a /j/ sound, words where 'ge' makes a /j/ sound and words where 'g' makes a /j/ sound.

Science

This half term we will be learning about materials. We will be looking at the properties of materials and considering the suitability of different materials e.g. brick, rocks, plastic, glass, metal.

We will also look at how the same object can be made from different materials.

Physical Education

This half term our focus will be on football. We will be practising dribbling, passing and shooting.

Religious Education

This half term our focus will be on leaders. We will be thinking about what makes a good leader and why Moses was a great leader for Jewish people.

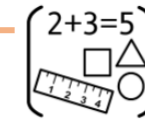

SCARF

This half term our focus will be 'Me and My Relationships'. We will be thinking about our feelings and learning about the difference between bullying and teasing.

I wonder what I will be when I grow up...

Maths

In maths this half term we will be focusing on numbers to 100. We will be partitioning numbers, estimating numbers on a number line, counting in 2s, 5s, 10s and introducing counting in 3s.

We will be learning how to add and subtract numbers to 100 using jottings.

Design and Technology

This half term our focus in DT is food. We will be designing, making and evaluating a fruit cake.

Geography

This half term we will be looking at the countries that make up the UK and its surrounding seas. We will also be learning about the continents and oceans of the world and their location on a world map.

Computing

This half term our focus will be 'Information technology around us'. We will be identifying the uses of information technology in and beyond school and talking about how information technology helps us.

We will talk about how to use technology responsibly.

Music

This half term we will be learning the 'Friendship Song'. We will be recapping how pulse, rhythm and pitch work together.
