

SUMMER 1 NEWSLETTER

OUR TOPIC THIS HALF TERM IS...

AMAZING ANIMALS!

We hope you had a lovely Easter break and we are so excited to begin our new topic of 'Amazing Animals'. In EYFS, children will be learning how to sort and group different kinds of animals and how to care for them. In Year 1, children will be learning about what carnivores, herbivores and omnivores are and how to identify mammals, birds, reptiles, amphibians, insects and fish. In Year 2, children will be learning about different habitats and how animals have adapted to live in each environment.
