Home Learning Opportunities:

- Reading weekly at home
- Using Numbots and Times Table RockStars
- Using Spelling Shed
- Practise the continents song and oceans song at home
- Think of a list of adjectives to describe space

English and Spelling

This half term we will be reading 'Look Up!'. We will recap using capital letters, finger spaces and full stops. We will also introduce expanded noun phrases as we cover a variety of genres from space.

In Spelling Shed sessions, we will be learning words where 'dge' makes a /j/ sound, words where 'ge' makes a /j/ sound and words where 'g' makes a /j/ sound.

Science

This half term we will be learning about materials. We will be looking at the properties of materials and considering the suitability of different materials e.g. brick, rocks, plastic, glass, metal. We will also look at how the same object can be made from different materials.

History

This half term our focus will be on Martin Luther King Jr and how he helped bring about change.

Physical Education

This half term our focus will be on team building and fitness.

Religious Education

This half term our focus question will be 'What does it mean to belong?'. We will explain different ways people belong to groups and communities and identify ways Christians show they belong to the Christian faith.

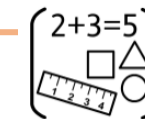

SCARF

This half term our focus will be 'Me and My Relationships'. We will think about our feelings and learning about the difference between bullying and teasing.

I wonder what I will be
when I grow up...

Maths

In maths this half term we will be focusing on numbers to 100. We will be partitioning numbers, estimating numbers on a number line, counting in 2s, 5s, 10s and introducing counting in 3s.

We will be learning how to add and subtract numbers to 100 using jottings.

Design and Technology

This half term our focus in DT is food. We will be designing, making and evaluating a fruit cake.

Geography

This half term we will be looking at skills and fieldwork. We will be learning what geography is and identify human and physical features. We will also be recapping aerial maps and looking at keys and map symbols.

Computing

This half term our focus will be 'Information technology around us'. We will be identifying the uses of information technology in and beyond school and talking about how information technology helps us.

We will talk about how to use technology responsibly.

Music

This half term we will be learning the 'Friendship Song'. We will be recapping how pulse, rhythm and pitch work together.
